ROAR STREET JOURNAL

The Delivery Boy

Hey Po, what you got for lunch today?
Oh, I need to work today.
Sorry Horsie.

What? You have to work at lunch hour?
Yes, Leo gave me some new tasks.

I'm going out now.
Where're you going?

I'll miss your secret dishes!

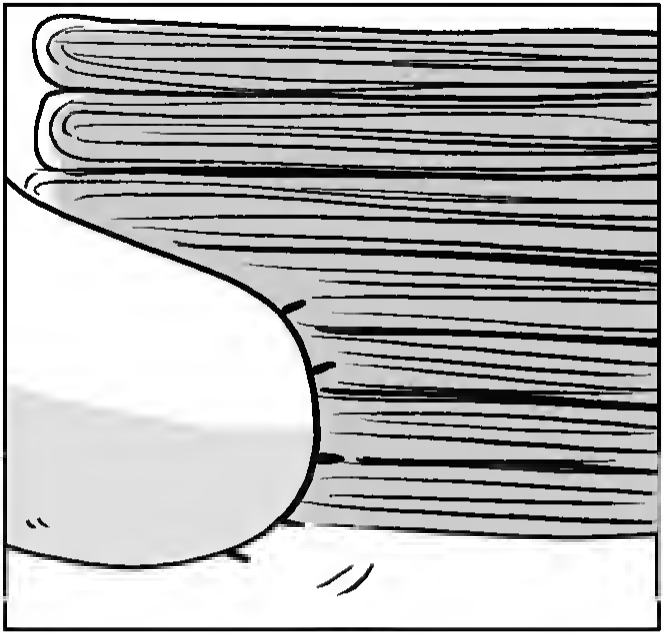
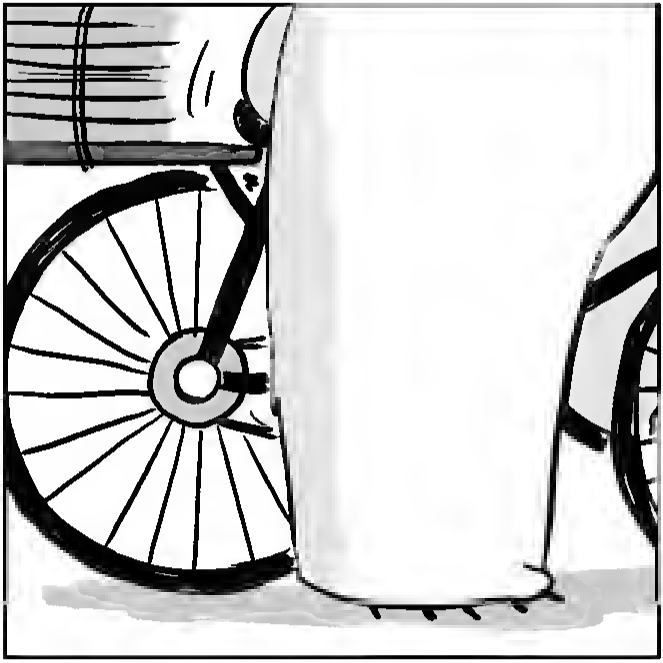
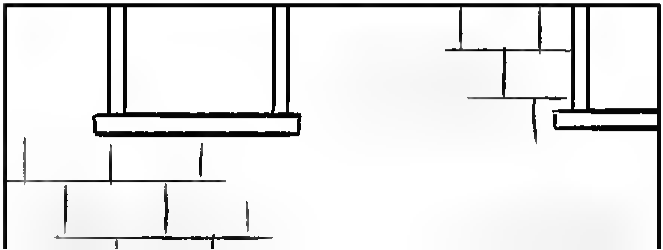
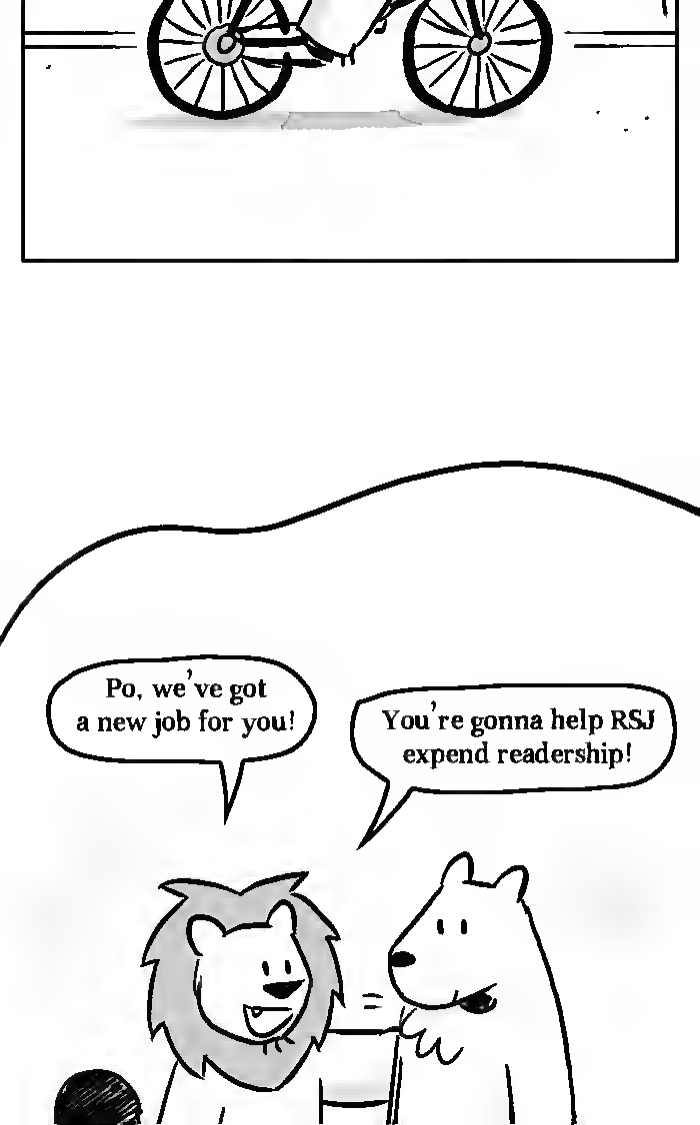
Hi Allie.
Here's everything you need today.
Thanks.



RSJ





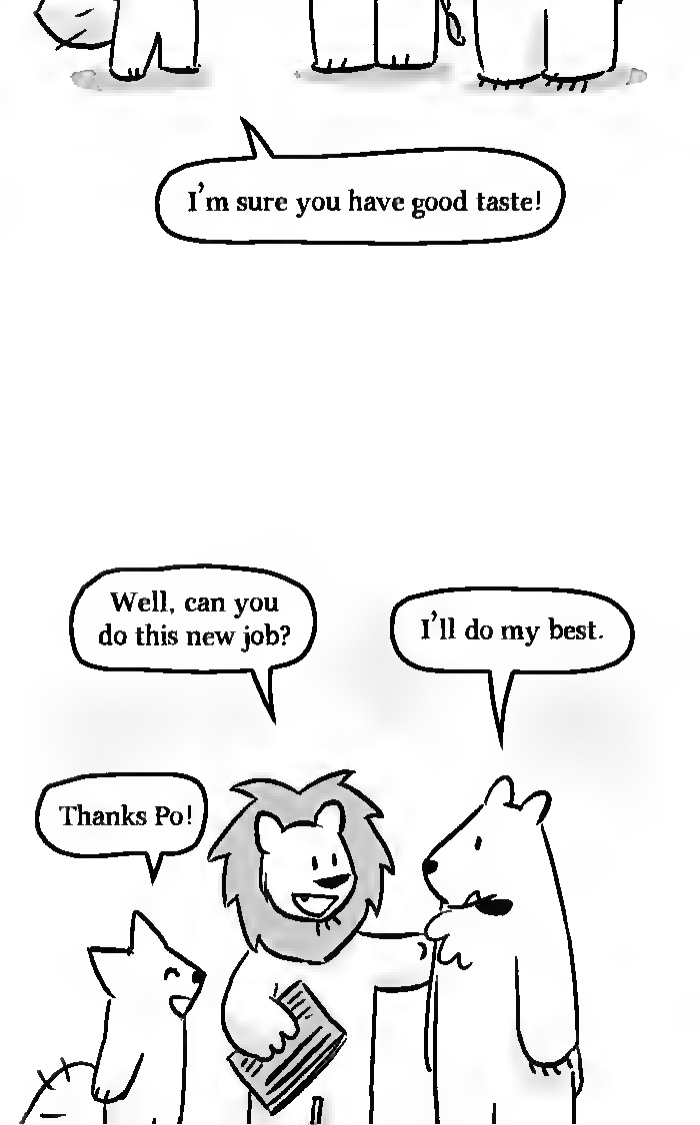


Po, we've got a new job for you!
You're gonna help RSJ expend readership!

You've been on the streets so you should know the city pretty well.
We can deliver our newspaper to coffee shops and cafes!

Our newspaper style suits a relaxing read over coffee.

Po! If you see some intersting coffee beans, buy them for me!



I'm sure you have good taste!
Well, can you do this new job?
I'll do my best.
Thanks Po!

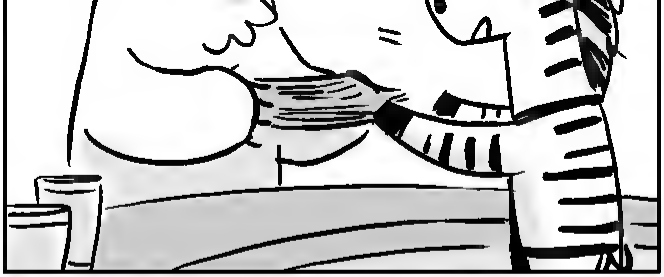
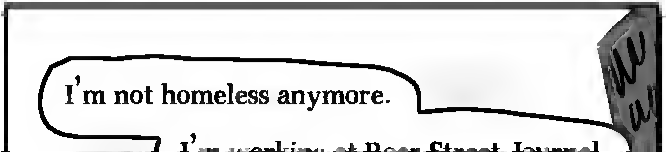
I'll have my lunch here as well.
Here's your copy of Roar Street Journal.
Thanks.

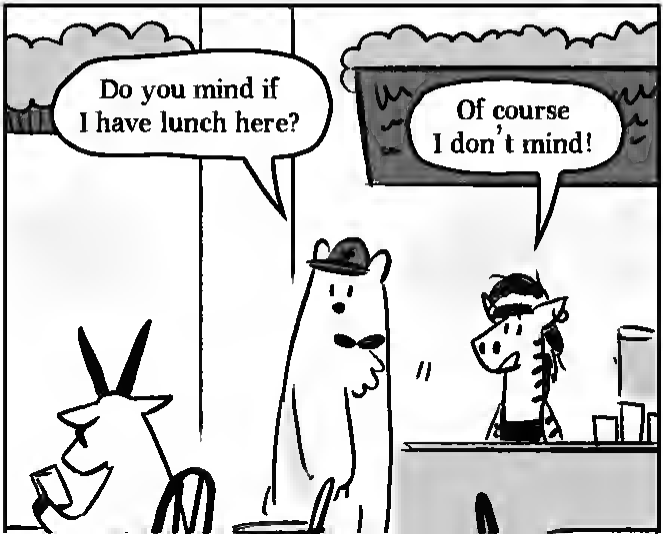


Hey, isn't you the homeless polar bear?
I haven't seen you for a while. How are you going these days?



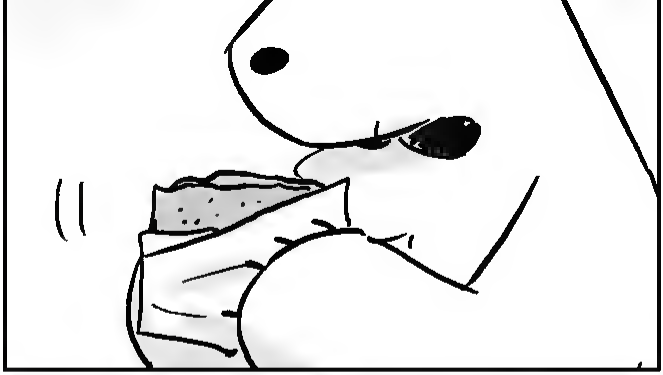
I'm not homeless anymore.

I'm working at Roar Street Journal.
That's great!
I'm happy for you.



Do you mind if
I have lunch here?
Of course
I don't mind!

RSJ

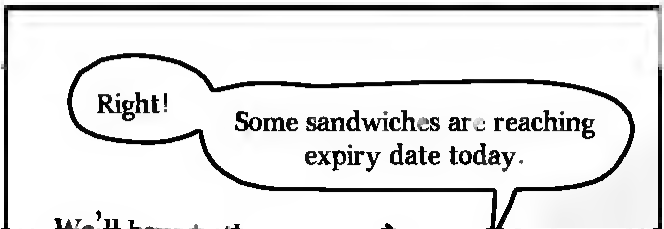


Wait a second!
Why are you eating someone's leftovers?!

?
Didn't you say you're not homeless anymore?

I think I got used to this habit.
I can't stand seeing food being wasted.

But I can't stand seeing you keep doing this...



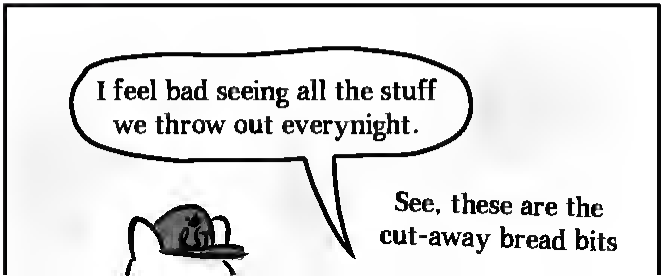
Right!
Some sandwiches are reaching expiry date today.

We'll have to throw them out tonight
Do you mind having those instead?

Take these.
We make a fresh lot everyday, so most times the old ones got wasted...
Thanks.

Do you have waste food quite often?

Yeah. There's a lot of wasted stuff from the kitchen when they make food.
Sometimes we ordered too much ingredients and they expire...
sometimes we cut away bits and pieces to make orders...



I feel bad seeing all the stuff we throw out everynight.
See, these are the cut-away bread bits

If you're going to throw them away, can you give them to me instead?

But they will turn bad soon!
How can you eat this much?

RJ
No problem.
I have a freezer.
